

THEKIRIN PAN ASIA BUFFET RESTAURANT FULL MENU

Let us take you on a tour of gastronomic delight. Our buffet has a mouth-watering range of over 80 recipes from 9 countries including China, Japan, Malaysia, Thailand Korea, Mongolia, Singapore Vietnam and India. Plus we have now added a Dimsum Bar and Traditional Chinese Hot Pots – so there really is something for everyone.

You can help yourself from our extensive buffet bar or watch as one of our chefs prepares your dish in front of you. And the best thing is you can eat as much as you like, but make sure you leave enough room for one (or more) of our desserts, we have a chocolate fountain*, fresh fruits, gateaux, mousses*, trifles* and loads more.

Although we try and offer all the dishes listed, ingredients are subject to availability. Some of our dishes may contain GMO's, MSG, wheat, peanuts and other nuts.
